

IDA CASON CALLAWAY MEMORIAL CHAPEL

Callaway Gardens

Pine Mountain, Ga. 31822

Built of fieldstone and hewn arched timbers from the surrounding hills, it stands beside a natural waterfall at the head of a little lake. The stained glass windows show the gardens in all the changing beauty of the seasons. Open every day for those who want to go there for prayer and meditation. Marriages by the dozens have been performed here and each Sunday organ recitals are given year round.
